

Single Pilot IFR Made Easy

Single Pilot IFR is one of the most dangerous types of flying, and because it is so demanding even illegal in much of Europe! Let a 6,000+ Master Instructor show you the 10 easy to use tips he uses to make IFR much easier and safer. This is a great class for any IFR students, pilots, or instructors.

Directions: This is a free class included with admission to Airventure. For info please visit www.EAA.org

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
